MOUNTAIN WEST DERMATOLOGY AESTHETICS OPENS NEW LOCATION

GRAND JUNCTION, CO – July 19, 2018 – Mountain West Dermatology Aesthetics announces the opening of our new location in Grand Junction, CO. The new state-of-the-art office, located at 611 24 Road, will meet the steadily growing demand for compassionate cosmetic skin care in the Grand Valley.

Owner and Medical Director, Dr. Amy Paul explains why Mountain West Dermatology Aesthetics made the decision to open a new location in Grand Junction:

"For years, Mountain West Dermatology Aesthetics has been dedicated to providing residents of Grand Junction and surrounding communities easy access to what we believe to be the best cosmetic dermatology practice in Western Colorado. Mountain West Dermatology Aesthetics is fortunate to have the most experienced and knowledgeable skin care and laser experts in the area. With our move, we will be able to add additional providers and services, which will allow us to provide a more comprehensive, convenient, and comfortable patient experience. My staff and I are committed to making a positive difference in people's lives by providing a consistently outstanding, patient-focused cosmetic dermatology services."

Board-certified dermatologist Dr. Amy Paul is joined at the new location by a highly skilled, experienced, and team, including cosmetic laser specialist, Erin K. Larson, ACLS, and licensed aestheticians, Jana Hoffman, LE, and Haley Gross, LE.

Planning and construction on the 24 Road location started in February 2018. Every structural, technological, and medical element of the new location was carefully conceived to help provide the kind of unparalleled patient experience that Dr. Paul refers to.

Mountain West Dermatology Aesthetics was previously located at Mountain West Dermatology near St. Mary's Hospital. Simultaneous growth with both the medical dermatology and cosmetic dermatology practices was the catalyst for the Mountain West Dermatology Aesthetics offsite expansion. The physicians at Mountain West Dermatology, including Dr. Paul, will continue to provide high-quality medical dermatology at the 2655 Little Bookcliff Drive location.

Mountain West Dermatology Aesthetics looks forward to continuing to serve the cosmetic skin care needs of Grand Junction with distinction.

An open house is planned for Friday, August 10th from 3:00 pm to 7:00 pm at the 611 24 Road location.

About Mountain West Dermatology Aesthetics
